**TRANSPORTATION DEPARTMENT
DRIVER CERTIFICATION****TYPE II MEDICAL STATEMENT**

I, _____, here-by certify that to the best of my knowledge I have no health related problems that would impair my ability to safely operate a van or car for the purpose of transporting students. I further certify that I will inform the district in the event a medical condition arises that would impair my ability to safely operate a van or car for the purpose of transporting students.

**ACKNOWLEDGEMENT OF
PRIVATE VEHICLE TRANSPORTATION**

Upon written approval of the principal, staff may transport students when a student's welfare is involved; when due care dictates prompt action, when engaged in occasional field trip activity or when engaged in an occasional extracurricular activity.

I understand whenever students are transported via private auto during field trips or other officially sanctioned activities, the district's liability coverage shall cover the risk assumed by the district as the owner of the private vehicle who for that occasion is acting in behalf of the district.

I acknowledge and assume full responsibility for any liability or property damage, comprehensive or collision, made by or against the driver/owner of the vehicle. The district's liability insurance will cover the risk assumed by the district.

Remember, liability always follows the vehicle, not the driver, therefore the district recommends employees to use district carpool vehicles, which can be arranged through our transportation department if available.
